Imagine quaint cottages surrounded by lush flowering gardens, drenched in dappled sunlight and framed by the majesty of the ancient redwoods. This is the Miranda Gardens Resort.

Located on the famous Avenue of the Giants we have offered a tranquil year round retreat from the pressures of the everyday world since 1927.

Cottages range from the simplest accommodations for one or two persons to the most luxurious including two bedrooms, two baths, a full kitchen and convertible beds in the living room. Some have whirlpool bath tubs and fireplaces. All cottages are furnished with antiques and have a private patio or deck, ideal for morning coffee and evening dining. All of the kitchens are fully equipped with dishes, flatware, and utensils. Each cottage also has its own barbecue.

The Miranda Gardens Market offers, for your convenience, fresh fruits and vegetables, canned and packaged foods, beer and wine and personal items. (Gasoline and propane gas are also available here.)

Miranda Gardens Resort offers a variety of outdoor activities, including:

- ~ Heated Swimming Pool
 - ~ Nearby Golf Courses at Shelter Cove and Benbow
 - ~ Children's Play Area
 - ~ Basketball and Ping Pong
 - ~ Tennis Courts Nearby
 - ~ Nightly Campfire in the Summer
 - ~ Hiking Trails Nearby
-
- ~ CONTINENTAL BREAKFAST served daily Memorial Day Weekend through Labor Day Weekend
 - ~ All Rooms are NON Smoking

Perhaps the greatest pleasures to be found at the Miranda Gardens Resort are walking through the pristine old growth redwood groves or simply relaxing with a good book amid the flowers in one of our tree shaded gazebos.
